DEPLORES RESIGNATION- OF DR. JOHN E. WHITE

Congregation of Second Baptist Church Adopts Resolution Sunday Morning

Following the regular service Sunday morning at the Second Baptist church, resolutions deploring the resignation of Dr. John E. White, as pastor, and the severance of relations which had grown so pleasant during an increase of the past fifteen years, were read to the congregation and unanimously adopted.

Dr. White, the resolutions declared, had measured up admirably to the highest standard of the Baptist denomination and the Christian worker; and in his leaving the church felt the loss not only of an inspiring preacher but a large-hearted sympathetic friend.

The resolutions were read by Judge J. D. Evans.

Patrolmen and teachers of the Bible school of the Second Baptist church, whose pastor, Dr. John E. White, announced his resignation some days ago, Sunday, adopted resolutions of abiding love for Dr. White and regret at his resignation.

The resolution congratulates the services of the church of Anderson, S. C., to which Dr. White goes, for securing so able a man and wishes Dr. White Godspeed in his new pastorate.

**PATROLMEN ARE PRAISED
FOR MERITORIOUS WORK**
Byron, Benson and Morgan
Lauded for Capturing Negro
After Battle

In future when patrolmen distinguish themselves by some meritorious act the police captain on duty is expected to mention the act in his report, if it is brought to his attention.

Captain Mayo inaugurated this custom in his daily report Sunday morning, when he treated the conduct of Patrolmen Byron, Benson and Morgan, stationed near the Terminal station, in capturing Charlie Clayton, colored, twenty-one years old, 42 Markham street, when, it is alleged, he broke into J. P. Hunter's saloon, 38 South Fourth street Saturday night.

An exciting battle in the darkness ensued between the patrolmen and the negro before the latter was captured.

AMERICA UNDERSTANDS FRANCE BETTER, HE SAYS

Nation Gained Great Moral Victory in U. S. Deputy Barres Declares

(By Associated Press.)
PARIS, May 31.—What the Americans think of us, is the title of a long and appreciative article by Deputy Maurice Barres, a member of the French academy, published in a morning paper. He points out that America, by the great European crisis, has been brought to a deeper understanding of the greatness of France.

"We have defined in the United States," says M. Barres, "a great moral victory—a victory solid and assured and permanent in its effects. Even in that California, so far away and so young, where all are biased with a great exaltation, we have convinced the most indifferent."

IS SEIZED AT MOBILE**
(By Associated Press.)

Raven, from Progreso, Mexico, with a cargo of 5,000 bales of sisal, on her arrival here last night was seized by officials of the customs department of the United States for violation of the shipping laws by coming into an American port from a foreign port on coastwise papers.

The Raven left New York several days ago and put into Key West, Fla., for orders. While at the latter port she received orders to proceed under charter of the Steamer Steamship line to Progreso, Captain Hecker, while at Key West, it is alleged, failed to change his papers and proceeded on his coastwise papers. An appeal will be made by the steamship owners to the treasury department for a release of the vessel.

"On the middle and lower Dvina the enemy renewed the offensive. Our troops failing back beyond the river Troitsa stopped repeated enemy attempts to cross it."

Here we captured in one day as many as 2,000 prisoners, sixty of them officers, and machine guns, searchlight and communication apparatus."

"In the region beyond the Dniester sturbing fighting continues. The enemy on the 28th developed his principal advance in the Hal region, where our line forms a salient angle. We captured 600 prisoners, twenty of them officers and eight machine guns."

JUDGE WRIGHT WINS FARMERS' GOOD WILL
(By Associated Press.)

LYNCHBURG, Va., May 31.—If there was any farmer in the Rome judicial circuit who thought that Judge Moses Wright had an unsympathetic heart, that heart no longer exists.

A few days ago when Judge Moses Wright announced that the May term of Walker county superior court in Lafayette he evinced that if any farmer who had been summoned for jury duty at that term of court felt that his absence from his crop would result in financial loss he would be excused from duty. Only six or eight of the jurors asked to be relieved from service for the week, but Judge Wright's sympathetic offer was nevertheless appreciated, and his name was lifted high in the estimation of all farmers.

TERMINAL CONFERENCE TO BE FORMED AT ST. LOUIS
(By Associated Press.)

ST. LOUIS, May 31.—A permanent river terminal conference is to be formed here today by representatives from Mississippi, Missouri, Minnesota and other states who are working for creation of terminals at important commercial points on the Mississippi.

A. O. Eberhart, former governor of Minnesota, temporary chairman of the conference, tentatively formed a year ago, is expected to preside at the meeting today. It is proposed by those interested in the movement that the large river route issue bonds or be levied to provide money for the construction of terminals and it is argued that the saving in money now paid for railroad transportation will make these improvements a profitable investment.
